

# iCall Account Verification

## How will this information be used?

We use this information solely to validate your account and credit card (if necessary). It will be stored securely and not be shared with any outside companies.

## Part 1 - Credit card verification

If you plan to use a credit card to fund your account, you will need to include a copy of it, along with the required information below. You can black out or exclude the middle eight digits of the card number. All other markings must remain.

Include a copy of your credit card here  
or attach a copy of it to this document.

\_\_\_\_\_  
Name on card

\_\_\_\_\_  
First four digits

\_\_\_\_\_  
Last four digits

\_\_\_\_\_  
Expiration date

\_\_\_\_\_  
Security code (located on the back of the card)

## Part 2 - Identity verification

You can include any of the following as a verification of your identity (select the one you've decided to include below):

Include a copy of your drivers license here,  
or attach any of the other documents listed  
to this document.

- Driver's license
  - Passport
  - Articles of Incorporation\*
  - D/B/A form\*
- \* The copy must be made from a notarized or official copy.

I hereby state that I am the person identified in this document and will be engaging in services with iCall, Inc. Additionally, if included above in "Part 1", I hereby authorize iCall, Inc. to charge said services to my credit card.

Name \_\_\_\_\_ Signature \_\_\_\_\_

Company \_\_\_\_\_ Date \_\_\_\_\_
